

I was very disturbed to hear that there was a possibility of losing K-LOVE Christian Radio to an LPFM station. I urge you not to allow this to happen. As a resident of the local community of Phoenix, Arizona I have seen first hand the powerful and positive impact that K-LOVE has had on many lives here in Arizona, including mine. K-LOVE keeps my family connected with God and offers encouragement and hope. This world is so full of hate and destruction, the world needs a station like K-LOVE to bring those much needed positive and encouraging words of love and hope. K-LOVE ministers to many families and individuals everyday. I believe that displacing K-LOVE with an LPFM broadcaster providing other programming would be detrimental to the local community. I personally will not listen to any other radio station other than K-LOVE. If K-LOVE were to be replaced I would have no reason to listen to the radio. K-LOVE is in the best interest of the public because it offers truth, love, encouragement, and hope. Don't you think these things are worth listening to? Thank you!
